FROM THE PRINCIPAL'S DESK

ONE PERSON REALLY MAKES A DIFFERENCE?

Let me tell you a story about a typewriter. This typewriter is an old model .Most of the time it works reasonably well. But sometimes typists have trouble with one key. Of course, they wish that it worked perfectly even though the other forty-three keys work well enough so people can understand what has been written.

Still that key does make a difference and it ought to be fixed. In some ways, society is like that typewriter; it seems to work most of the time, although not all the keys function as they should. Sure, you're only one individual and it is easy to convince yourself that your contribution is a minor one, that rest of the society won't even notice it, the world will continue to sputter along. But society functions best when each individual is conscious of having been chosen to perform a specific work in an overall design. What you leave undone most likely won't get done or will get done poorly.

THE QUESTION IS NOT WHETHER YOU CAN MAKE A DIFFERENCE- HISTORY DEMONSTRATES YOU CAN –BUT WHETHER YOU CHOOSE TO DO SO!

Dear Teachers, students and guardians

Does one letter make a difference?

Can one person make a difference?

Yes, You can make a difference.

Bible says . 'Blessed are the faithful'

Those who remain faithful in little matters will be entrusted with greater responsibilities. (Mt. 25.23) So remain faithful in your private and public life . One thing is sure – the Lord who is trustworthy will honour your fidelity. All you need to do is to hold on the Lord tightly. The eyes of God search for those who are reliable.

Now the question is , will his gaze find us?

Lord, this is my humble prayer, Make me faithful in my private life, so I can help this world be more beautiful place and make a difference.

May God bless all of us.

Independence Day Celebration

Parents-Teacher Meeting.

“Let Knowledge grow from more to more”.

-Alfred Tennyson.

Learning has become, with the passage of time a complex phenomenon as the child in his course of study faces many an identified and unidentified challenges. Holistic development depends upon the integrated hard work of student – teacher - parent, to bring the best learning outcome. Parent – Teacher Meeting is a junction to meet the needs of a child, to share his academic progress, behavior and interaction with teacher and classmates, class and home assignments as well as performance in the examination. Held on 22nd July’22, Parent – Teacher Meeting, prepared, once again a wider prospect, for better learning outcomes of the children entrusted to our care.

Parents Day

“When roots are deep there is no reason to fear the wind.”

The month of September’ 22 witnessed the brilliant efforts put forth by each class for Parents Day. It was indeed a novel idea of Principal, Sr. Marisha, who wished to present to the Parents the collected effort of nearly all students and not just a selected few, to honour them.

“Every child is special, and to a parent, nothing can be more rewarding more satisfying than to see his/her child performing on stage.”

Keeping such thought provoking words of the Principal in view, each and every class teacher guided their respective classes to present a short entertaining programme.

“And the children performed”

To show their love towards their parents for blessing them with a life worth living.

The programme was followed, everyday with an informal meeting between the Principal and the Parents.

Investiture Ceremony.

“Leadership is the capacity to translate vision into reality”

-Warren Bennis

At Christopher Day School, Investiture Ceremony is creating leaders of tomorrow and not just conferring titles. It was a solemn occasion where students dressed in resplendent house-colour uniform added to the grandeur of the event, took the oath to abide by their respective House motto and School motto, discharge the responsibilities entrusted upon them, with integrity and excellence.

The Ceremony conducted with earnestness and passion was held on 27th July’22, for the High School and 3rd August’22 for the Primary School respectively.

The leaders were conferred with badges by the Principal, Sr. Marisha. She congratulated them and advised them to be impartial and honest in the discharge of their duties. She reminded them that with position comes responsibility towards their school, their peers and themselves. Above all to remember the trust and confidence that the school consigns in them.

Farewell Of The Secretary

May the road rise up to meet you. May the sun shine warmly on your face and until we meet again, may the Lord hold you in the hollow of His Hand.

The 22nd day of September' 22, was a morning of mixed emotion for all at CDS, as they gathered to witness the official farewell of Sr. Vianney, Secretary, CDS. The Ceremony began with a prayer service followed by a short programme. Our Principal, Sr. Marisha presented a token of appreciation to Sr. Vianney, for her services towards the institution. The Principal, teachers and the students, wished Sister all the best for another new beginning.
