

* Teachers' Orientation *

The new academic session 2022-23 commenced with a faculty orientation programme organised by the management of Christopher Day School, on 2nd April from 9am to 12pm. The respected Principal, Sr Marisha addressed important academic aspects and suggested the members of the faculty to implement the same. Rev. Fr Lawrence D'lmeda was the prominent guest of the day. He gave a presentation on "Attributes of a good teacher" highlighting the importance of a good teacher. He shared a few anecdotes of good teacher in his life. The presentation was very impressive. He showered another interactive presentation on "Time Management". He defined what the time management is and stated its importance quoting many proverbs. He concluded his presentation suggesting a few books for reading. The session was helpful, informative and inspirational.

Content de te revoir

On 4th April 2022, the morning was different as the Sun shone more brightly and reflected on the happy faces of the students of CHRISTOPHER DAY SCHOOL .The school door reopened with the commencement of a new phase of life ,new promises and a new academic year filled with hopes, aspirations and dreams.

"School is a building which has four walls with tomorrow inside."

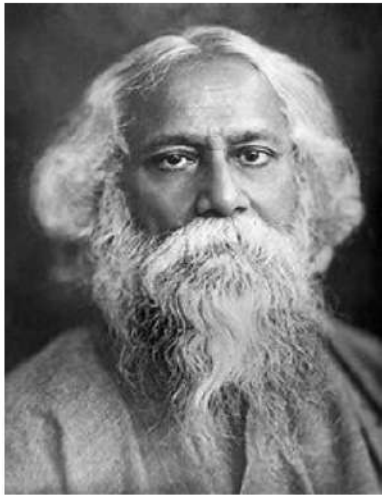

The ringing of the school bell echoed a new beginning, where all the students assembled down in the school hall to pray together.

Sr.Marisha, the respected Principal of the school encouraged and motivated the students with prayer and loving words. The day went merry and sparkled with optimism .The classes continued till 10:30am and the beautiful day was brought to an end with the prayer.

Back to School

The Bard of Bengal

"Let my thoughts come to you,
when I am gone like the after glow
of Sunset at the margin of starry silence."

9th May 2022 heralded the birth anniversary of the philanthropic Nobel Laureate- Rabindra Nath Tagore. We remain indebted to him for our inspirational National Anthem.

Christopher Day School celebrated it with much enthusiasm and fervour. Tagore stands to be the poet of immortality. Thus, to witness the enlightened day, the rising buds of Christopher Day school paid a tribute to his classic contribution in the boulevard of literature, art and music.

The celebration vivaciously commenced from morning 7am to 10am. Parents and guardians were invited to experience the function. The indomitable spirit of the students and guidance of the teachers made it a successful event.

The lightening of the lamp by respected Secretary Sr. Vienny, Principal Sr. Marisha and marked the beginning of the programme. Prayer dance was followed by drama, music, dancedrama, skit and seasonal dance series. It ended paying a vote of thanks.

Indeed, the motivation of the parents, efforts of the students, cooperation of the teachers above all the blessings of the Almighty, made the day a memorable one.

BENEFITS OF HYDROPONIC

GROW FASTER

It is smoothed out for bigger, more quickly developing plants with a better return.

NO SOIL

It can be done with mineral supplements, in water, without soil.

QUALITY FOOD

It has more supplements and better taste as well.

LESS LABOUR

It needs less labour in comparison with regular farming.

SPACE UTILIZATION

Utilizes 100% less ground than normal cultivating processes.

Hydroponic Farming

Hydroponic System is a **system of growing crops without soil, often called soilless farming**. In the hydroponic system, the plant roots grow in a liquid nutrient solution or inside the moist inert materials like Rockwool and Vermiculite. The liquid nutrient solution is a mixture of essential plant nutrients in the water.
