Dear Parents, Teachers, and Students,  
I am overwhelmed with joy and pride as I share with you some extraordinary achievements of our school community! After tireless efforts, we have been permanently affiliated with CISCE, a testament to our commitment to academic excellence.

We are thrilled to announce that our school has been honored with two prestigious awards from the Calcutta Archdiocesan Educational Office: The School Excellence Award and Excellence in English Award in the CISCE examination 2025. These accolades are a direct result of the dedication and hard work of our students and teachers.

I would also like to extend my heartfelt appreciation to our students who participated in CISCE literary events and sports, bringing home numerous prizes. Our school's triumph in the Inter-School Singing and Dance Competition, where we emerged as champions, is truly remarkable.

Behind every achievement is the unwavering support and efforts of our teachers, students, and parents. I express my deepest gratitude to each one of you for your contributions to our school's success. Your passion, commitment, and teamwork have made Christopher Day School shine brighter and soar higher than ever.

Let us continue to strive for excellence and make our school proud.

Congratulations to one and all!

With love and appreciation,

Sr. Marisha SCCG.

Principal,

Christopher Day School.

## INVESTITURE CEREMONY

# INSPIRE OTHERS

Every right carries with it responsibilities. Like the right itself, these responsibilities stem not from man-made law but from the very nature of humanity and society. The security, progress, and welfare of one group are ultimately measured by the security, progress, and welfare of all mankind. The Captains, Vice-Captains, and Ministers of C.D.S. take pride in embracing the very idea of being wholeheartedly responsible towards their institution.

# Dental checkup

A free dental camp was organized by Advanced Dentistry for Classes I to XII. "No one can take your smile away when dental decay is kept miles away. Smiles and sunshine are good for your teeth. You're never fully dressed without a smile. Let your smile change the world, but never let the world change your smile."

# Meditation

Meditation sessions for Senior Classes IX to XII were conducted by the Heartfulness Meditation Center. Meditation brings life – it heals, it cures, and it transcends our pain, transforming it into power. The students of C.D.S. were trained to control their mind, heart, and body through the soft yet powerful practice of meditation.
