

Principal's Message

As we step into the New Year, we thank God for the gift of life, guidance, and the countless blessings received in the year gone by. The New Year brings with it fresh beginnings, renewed hope, and new opportunities to grow, learn, and serve with greater commitment.

The past year has been a journey of learning and collaboration. I sincerely appreciate the dedicated efforts of our teachers, the enthusiasm of our students, and the constant support of our parents and well-wishers. Together, we have continued to build a school community rooted in faith, discipline, and excellence. The New Year invites us to reflect on our goals and renew our determination to become better individuals, academically, morally, and spiritually. Let us move forward with confidence, embracing challenges with courage and optimism, and nurturing values such as compassion, responsibility, and respect for one another. May this New Year be filled with peace, good health, wisdom, and success for every member of the Christopher Day School family. Let us continue to walk together as pilgrims of hope, trusting in God's guidance in all that we do.

Wishing you and your families a joyful and blessed New Year. God bless us all.

With warm regards,
 Sr. Marisha, SCCG
 Principal
 Christopher Day School

TEACHERS' DAY

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge. The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires.

Jubilation spread everywhere when the pedagogues of Christopher Day School were highly honored by the extravagant performance of their students. The innovation met with talent and excelled in the realm of entertainment. It was a treat to the eyes to witness their laughter, expressions, and fantastic moves as they adored and paid tribute to their amicable teachers.

CLASS XII PICNIC

The last days of school count; the familiar corridors look quite vague, and the classroom changes. One fine day, you come back home, open your school dress, and never wear it again. What remains? Just the goodness and the memories to embrace for a lifetime.

The students of Class XII joined the picnic and created many sweet memories to cherish for eternity. It was at Padmavati Amusement Waterpark and Resort where they thrillingly lived those happy hours. Time waits for none! Whenever they look back, they would smile with joy, and a sigh of happiness would embrace them.

DEBATE COMPETITION

The students of Classes XI and XII sensationally set the stage on fire with their "War of Words." The topic of the debate perfectly suited our new generation's aspirations: "Should one follow passion and talent, or prioritize the demands of the job market?"

FLIM MAKING CLASS XI

The students of Class XI Science made the short film with great team spirit. Each member contributed exceptionally well, and it was a hallmark of excellence at every step. It became a true feather in the cap of CDS.

The short film was shown to the students of Classes VI to XII in the auditorium, and it was a great achievement for them as well as a source of inspiration for everyone present.

**YOUR WORK IS
TEA-RIFFIC**

LETTER WRITING

Unlike fleeting digital notifications, a physical letter offers a tangible sensory experience, the weight of the paper, the scent of the ink, and the unique flourishes of a sender's handwriting, which fosters a deeper emotional bond between people.

A letter writing competition was organized by the Indian Postal Service. Our teachers inspired the students, and the participation was overwhelming. The theme was equally motivating, "A Letter to My Role Model." It is hoped that the budding talents of CDS will continue to nurture and enhance the art of letter writing across time and generations.

CHILDREN'S DAY

Children's Day is a vibrant reminder that every child is a unique "bud in a garden," ready to blossom into the architect of a better tomorrow. This day celebrates your boundless curiosity, radiant energy, and the pure dreams that have the power to change the world. As Pandit Jawaharlal Nehru famously believed, the way we nurture you today determines the future of our nation. Hence, our teachers beautifully danced, sang, and entertained our children. The day concluded with sweets and delicious food. It was a day of excitement, fun, dance, and frolic.

ANNUAL DAY

hope

Hope keeps us alive. Hope makes us believe. Hope sustains life. Our school was beautifully decorated to welcome the eminent Chief Guest, Fr. Dominic Gomes, Chancellor of the Archdiocese of Calcutta, and the Guest of Honour, Fr. Reginald Fernandes, Dean of the Midnapore Deanery. The theme was "Pilgrims of Hope." The Annual Day showcased the talents of our students. Annual Day is more than just a date on the calendar; it is a vivid celebration of the journey we have travelled together. Our school transforms into a canvas where every student's talent becomes a stroke of brilliant colour. From the nervous excitement behind the curtains to the thunderous applause under the spotlights, this day captures the essence of childhood: the courage to stand tall, the joy of creative expression, and the strength found in teamwork.

CHRISTMAS CELEBRATION

MOVIE
TICKET

The winter vacation began on a sweet note. Our school celebrated Christmas, and the senior students watched the film Nil Battey Sannata. It is an inspirational movie on education, the empowerment of women, and a mother's selfless journey and her profound bond with her daughter.
